Materials : incl. materials

Type of exercise : oral

Duration exercise : 15 min.

Objectives

- The learner can consolidate new vocabulary.
- The learner can describe images.

Materials

Cards with words or images related to the treated topic.

Instructions

- Sit in a circle.
- Take a card and describe what's on the card, without using the word or parts of the word, e.g. 'milkman': *he sells liquid food made by a cow*. The word 'man' and 'milk' may not be used.
- The learner guessing the word, gets a point.
- In turns, the learners take a card and describe the image on it.

Tips for the instructor

- Complete a set of cards with images by a second set of words or vice versa. This way, you have now two sets to play Memory. Provide several sets for bigger groups.
- Before starting Memory, let the learners make two matching columns, one with the words, one with the images.
